

# ASTRAA GLOBAL SCHOOL

(A Unit of D.P. EDUCATION TRUST)  
(CBSE)

Affiliated to CBSE, New Delhi (Affiliation number :1931678)

## Annual Report 2023-2024

- ★ In the heart of Tiruvallur lies ASTRAA Global School, a cradle of future leaders and innovators. Launched on **April 5, 2023**, marking our inaugural year, we take pride in nurturing a vibrant community of **94 students**, supported by a dedicated team comprising **18 teaching and 12 non-teaching staff members**. Our ethos, '**Reach for the Stars**,' is not just a motto but a journey of empowerment, empathy, and excellence. Here, we blend traditional wisdom with modern pedagogical innovations to sculpt young minds into global citizens. This unique fusion, alongside our commitment to holistic development, positions ASTRAA as a beacon of innovative education in our first year and beyond.

### Affiliation Milestone

In a major milestone for our institution, ASTRAA Global School proudly *received affiliation to the CBSE Board up to the Senior Secondary level*, with **Affiliation Number 1931678 & School Code 56900**. This affiliation, officially granted in our second year of operation, reflects our dedication to academic excellence and our commitment to providing a comprehensive, future-ready education.

### Academic Highlights

- ★ Our academic foundation is built on the revolutionary **Flipped Learning** and **Interactive Mastery Quest** methodologies. These approaches transform our classrooms into dynamic learning environments where students are not mere recipients of knowledge but active learners, engaging deeply with subjects. Alongside our core curriculum, we have introduced the **Problem Solving Assessment (PSA)** as a subject, which is pivotal in nurturing higher order thinking skills. The PSA encourages students to delve into complex problems, fostering analytical, creative, and critical thinking abilities that are essential for the challenges of the future. Our comprehensive **English curriculum** is meticulously designed to enhance **listening, speaking, reading, and writing skills**, preparing our students for the global stage. This blend of innovative teaching methods and a focus on developing advanced problem-solving skills ensures that ASTRAA Global School stands at the forefront of educational excellence, shaping the leaders of tomorrow.
- ★ Expanding on our innovative educational methods, ASTRAA Global School actively incorporates project-based learning, effectively bringing real-world challenges into our classrooms. This hands-on approach enables students to tackle complex problems through projects that mirror actual issues, merging theoretical knowledge with essential

skills. It represents a significant shift from conventional teaching, transforming students into explorers and innovators.

- ★ **Astraa Flair and Astraa's Rising Stars:** Apart from our academic endeavours, we initiated two pioneering platforms this year: '**Astraa Flair**' and '**Astraa's Rising Stars**,' aimed at honing our students' leadership and public speaking skills. The '**Astraa Flair**' initiative is all about boosting our students' confidence in public speaking. Students got to share their thoughts, practice speaking clearly, and learn how to present their ideas confidently. Meanwhile, on 10th February 2024, our Grade 6 and 7 students demonstrated their organisational prowess through '**Astraa's Rising Stars**' by independently planning and executing an event dedicated to environmental conservation. Remarkably, they managed every aspect, from decorations to event logistics, without any teacher's guidance, showcasing their incredible potential to lead and inspire change.
- ★ **'Meditation is the key to unlocking the mind's full potential.'** In the quiet moments of the morning, every other day, ASTRAA Global School transforms into a sanctuary of peace as we gather for our meditation sessions. This cherished practice has become a cornerstone of our school routine, offering students and staff a moment of tranquillity amidst the bustle of academic life. By weaving meditation into the fabric of education, we cultivate minds that are not only informed but also insightful and at peace.

## Enrichment Through Clubs

At ASTRAA, we believe in the holistic development of our students. On September 9, 2023, we launched new horizons of learning with the inauguration of our diverse range of clubs, each designed to enrich our students' educational experience beyond the classroom. Our clubs are vibrant communities where passions flourish and talents are honed.

## Club Activities

### 1. Bound by Languages Club

**Vision:**

Explore languages, host theatre contests, and tailor events for varied grades.

**Mission:**

Foster linguistic growth, cultural appreciation, and intellect through an immersive language club. This club encourages students to delve into the richness of languages, participating in creative events that enhance their communication skills and cultural understanding.

**Club Activity Day 1 - Date: 28.10.2023 - Show and Tell**

Students participated in a "Show and Tell" session, where they brought items from home and described them in English. This activity encouraged students to practise their speaking skills and express their thoughts clearly and confidently. The parental guest of honour was impressed by the creativity and enthusiasm shown by the students as they shared stories and personal connections to their chosen items.

### **Club Activity Day 2 - Date: 10.02.2024 - Phonic Song with Action**

A session of "Phonic Song with Action" was held, where students learned phonics through catchy songs and corresponding actions. This interactive method made learning fun and memorable, reinforcing their phonetic understanding. The session was well-received by both the students and the attending parents, who appreciated the playful yet educational approach.

## **2. The Sports Spirits Club**

### **Vision:**

Lead in excellence, forge champions on/off field, and host diverse sports events.

### **Mission:**

Cultivate mastery, sportsmanship, and community engagement with cutting-edge facilities. The club provides students with opportunities to excel in various sports, emphasising teamwork, discipline, and healthy competition.

### **Club Activity Day 1 - Date: 28.10.2023 - Importance of Indoor Games**

Students engaged in a discussion on the "Importance of Indoor Games," where they explored the benefits of activities like chess, carrom, and other indoor sports. The session emphasised how indoor games can enhance strategic thinking, patience, and mental agility. A parental guest was invited to share their insights on how these games contribute to overall development, reinforcing the message that sports are not just about physical fitness but also about sharpening the mind.

### **Club Activity Day 2 - Date: 10.02.2024 - Cricket Rules and Regulations**

The focus shifted to cricket as students learned about the rules and regulations of the game. They were introduced to the various aspects of cricket, including fielding positions, scoring, and the roles of different players. The session was interactive, with students participating in quizzes and demonstrations to solidify their understanding. The parental guest for this day, who had a background in sports, provided valuable insights and personal anecdotes, making the learning experience more relatable and engaging.

## **3. Dawn of the Tech World Club**

### **Vision:**

Pioneer discovery, bridge theory and practice, spark tech enthusiasm.

### **Mission:**

Ignite tech innovation and AI exploration through an avant-garde club. Students in this club engage in activities that develop their understanding of technology and artificial intelligence, preparing them for future advancements in the tech world.

### **Club Activity Day 1 - Date: 28.10.2023 - How a Browser Works in the Background**

Students explored the intricate workings of web browsers, delving into how browsers deliver the content we search for. The session covered topics such as HTTP requests, how search engines index information, and how browsers render web pages. This technical dive was made accessible through engaging demonstrations and visual aids. The parental guest, who has experience in the IT industry, provided additional insights, helping students understand the complexity behind what seems like a simple task of browsing the internet.

#### **Club Activity Day 2 - Date: 10.02.2024 - Cryptography - Sending Messages Secretly**

The focus shifted to cryptography, where students learned about the basics of sending messages securely. They were introduced to simple encryption techniques and the importance of cryptography in maintaining privacy and security in the digital age. Through interactive activities, students practised encoding and decoding messages, gaining hands-on experience with the principles of cryptography. The parental guest discussed real-world applications of cryptography, further emphasising its significance in modern communication.

### **4. Future Farmers of India Club**

#### **Vision:**

Shape future stewards of a sustainable and thriving agricultural world.

#### **Mission:**

Cultivate a passion for sustainable agriculture and farming skills among youth. This club focuses on hands-on activities that connect students with the environment, teaching them about sustainable practices and the importance of agriculture.

#### **Club Activity Day 1 - Date: 28.10.2023 - Types of Soil and Mixing Soil with Fertilisers**

Students began their journey into agriculture by learning about the different types of soil and how to enhance soil quality by mixing it with fertilisers. The session was hands-on, with students actively participating in preparing the soil for planting. After understanding the best soil combinations, they planted seeds in the school garden. The parental guest, an experienced farmer, shared practical tips and personal experiences, making the activity both educational and inspiring for the young learners.

#### **Club Activity Day 2 - Date: 10.02.2024 - Planting Different Seeds**

Building on their knowledge from the previous session, students explored various types of seeds and their planting methods. They learned the importance of seed selection and the conditions required for successful germination. Students then planted a variety of seeds in the garden, carefully applying the techniques they had learned. The parental guest, who has a background in horticulture, provided guidance throughout the process, ensuring that students understood the nuances of growing different plants.

## **5. The Film Fantasy Club**

### **Vision:**

Inspire brilliance, capture human experience, nurture creativity.

### **Mission:**

Express through photography, filmmaking, and editing. The Visual Storytelling Club encourages students to explore the art of storytelling through visual media, fostering creativity and technical skills in photography and videography.

### **Club Activity Day 1 - Date: 28.10.2023 - Acting and Emotions in Acting**

Students were introduced to the art of acting, with a focus on expressing emotions effectively. Through a series of exercises and role-playing activities, they learned how to convey various emotions convincingly on screen. The session emphasised the importance of body language, facial expressions, and voice modulation in bringing a character to life. A parental guest with experience in theatre shared valuable insights into the nuances of acting, offering tips on how to improve their performances.

### **Club Activity Day 2 - Date: 10.02.2024 - Photography and Documentary Making**

In this session, students delved into the world of photography and documentary making. Experts were invited to guide students through the basics of capturing powerful images and telling compelling stories through film. The session included hands-on practice with cameras and editing software, allowing students to create their own short documentaries. The parental guest, who is a photography enthusiast, provided additional guidance, helping students refine their techniques and enhance their storytelling skills.

## **6. Come, Cook & Connect Club**

### **Vision:**

Share cooking adventures, empower families with diverse cuisines.

### **Mission:**

Promote culinary art, family bonding, and premium ingredients. This club introduces students to the world of cooking, where they learn to prepare various dishes, explore culinary techniques, and understand the importance of nutrition.

### **Club Activity Day 1 - Date: 28.10.2023 - Bread Sandwich and the Importance of Vegetables**

Students kicked off their culinary journey by preparing bread sandwiches filled with a variety of fresh vegetables. The session emphasised the importance of incorporating vegetables into daily meals for a balanced diet. As they assembled their sandwiches, students learned about the nutritional benefits of each vegetable, including vitamins, minerals, and fibre. The parental guest, a nutritionist, shared tips on how to make meals both healthy and delicious, encouraging students to explore creative ways to enjoy vegetables.

### **Club Activity Day 2 - Date: 10.02.2024 - Making Rava Laddu & Cucumber Sweet Cutlet - Ingredients and Benefits**

In this session, students dived into the art of making traditional Indian sweets, starting with Rava Laddu and Cucumber Sweet Cutlet. They learned about the key ingredients used in these recipes and their health benefits, such as the energy-boosting properties of semolina (rava) and the hydrating benefits of cucumber. The session included a hands-on cooking experience, where students prepared these sweets under the guidance of the parental guest, who shared their culinary expertise and discussed the cultural significance of these traditional dishes.

## **7. The Beneficence Brigade Club**

### **Vision:**

Drive positive change, activism, and environmental stewardship.

### **Mission:**

Foster resilient communities, inspire global movements, shape a better world. Through initiatives like "Share and Smile," the club promotes social responsibility, teaching students the value of empathy and the impact of their actions on society.

### **Club Activity Day 1 - Date: 28.10.2023 - The Importance of Money**

Students explored the fundamental role of money in our daily lives, discussing its value and the impact it has on personal and societal well-being. The session focused on understanding how money is earned, spent, and its significance in achieving financial security and independence. A parental guest, who is a financial advisor, shared insights on the responsible use of money, encouraging students to develop a healthy relationship with their finances from an early age.

### **Club Activity Day 2 - Date: 10.02.2024 - Money Management**

In this session, students learned the basics of money management, including budgeting, tracking expenses, and setting financial goals. They participated in activities that simulated real-life financial scenarios, helping them understand how to allocate resources wisely. The parental guest provided practical tips on managing money efficiently, emphasizing the importance of saving and avoiding unnecessary debt. Students left the session with a better understanding of how to manage their finances effectively.

## **8. Gender Sexuality Alliance & Etiquette Club (GSA)**

### **Vision:**

Create a harmonious society where diversity is embraced, and every individual is valued.

### **Mission:**

Cultivate respect and inclusivity, nurturing a culture of understanding and politeness. The club aims to educate students on the importance of equality, respect, and proper conduct, fostering a supportive and inclusive school environment.

### **Club Activity Day 1 - Date: 28.10.2023 - Understanding Gender Equality**

Students engaged in an open discussion on gender equality, exploring what it means to live in a society where all genders are respected and valued. The session included role-playing scenarios that helped students recognize gender biases and how to challenge them in everyday life. A parental guest shared their experiences, emphasising the importance of equal opportunities and respect for all, inspiring students to be advocates for gender equality.

### **Club Activity Day 2 - Date: 10.02.2024 - Social Justice and Empathy**

The focus of the day was on social justice and the role empathy plays in creating a fair and just society. Students participated in group activities that highlighted issues of discrimination and privilege, encouraging them to think critically about their own actions and the world around them. The parental guest, who works in social advocacy, led a discussion on the importance of standing up for others and being allies in the fight for justice.

## **9. Future Business Leaders of India Club**

### **Vision:**

Empower students to understand and engage with the world of business and economics.

### **Mission:**

Cultivate financial literacy, entrepreneurial thinking, and a deep understanding of socio-economic principles among students. The Socio-Economic Club provides a platform for students to explore business concepts, develop leadership skills, and engage in activities that simulate real-world economic scenarios. Through workshops, case studies, and interactive projects, students gain insights into the functioning of markets, the importance of innovation, and the impact of economic decisions on society.

### **Club Activity Day 1 - Date: 28.10.2023 - Cryptocurrency and Bitcoins**

Students were introduced to the world of cryptocurrency, with a particular focus on Bitcoins. The session covered the basics of how cryptocurrencies work, the concept of blockchain, and the potential impact of digital currencies on the global economy. Through interactive discussions, students explored the risks and benefits associated with investing in cryptocurrencies. The parental guest, who has experience in finance, provided insights into the future of digital currencies, helping students understand the complexities and opportunities in this emerging field.

### **Club Activity Day 2 - Date: 10.02.2024 - Attracting Customers to Buy a Product**

The session focused on the fundamentals of sales, particularly on strategies to attract customers and convince them to purchase a product. Students learned about the importance of understanding customer needs, creating compelling sales pitches, and building strong relationships with clients. Role-playing exercises allowed students to practise their sales techniques in a simulated environment. The parental guest, who works in sales, shared practical advice on how to succeed in the competitive world of sales, emphasising the value of persistence and communication skills.

## Signature Events and Celebrations

Throughout the year, we hosted events that not only added vibrancy to our school calendar but also fostered community spirit and social awareness among our students:

- ★ **International Girls' Child Day (11.10.2023):** *"Empower a girl, and you transform a community."* On October 11, 2023, we celebrated International Girls' Child Day, reinforcing our dedication to breaking down barriers and promoting gender equality. This day served as a powerful reminder for our young girls to dream without boundaries, encouraging them to envision a future where they are free to pursue their ambitions and realise their full potential.
- ★ **Gender Sexuality Alliance Club (GSA) + Etiquette Club Launch (14.10.2023):** *"In a world where you can be anything, be kind and understanding."* On October 14, 2023, we proudly launched the Gender Sexuality Alliance (GSA) and Etiquette Clubs. The GSA Club creates a nurturing environment for exploring diverse identities, promoting inclusivity and acceptance. Meanwhile, the Etiquette Club hones essential social skills, emphasising manners and cultural sensitivity. These clubs are our commitment to fostering a school atmosphere rooted in respect, empathy, and understanding, crucial for today's interconnected society.
- ★ **Share and Smile Event (19.10.2023):** *"Sharing is caring."* On October 19, 2023, our Share and Smile Event embodied this spirit, bringing our community together to support those in need. This event was not just about giving but about instilling a sense of responsibility and compassion among our students. By donating essentials and resources, we aimed to make a tangible difference in the lives of the less fortunate, teaching our students the importance of generosity and the impact of collective action.
- ★ **Children's Day Celebration (14.11.2023):** *"Every child is a different kind of flower, and all together, make this world a beautiful garden."* Celebrating this essence, our Children's Day on November 14, 2023, was a vibrant tribute to the joy and innocence of childhood. Students take centre stage in performances and activities designed to celebrate their unique talents and interests.
- ★ **Walkathon for World Day for the Prevention of Child Abuse (17.11.2023):** *"Taking steps together for a safer tomorrow."* On November 17, 2023, we marked the World Day for the Prevention of Child Abuse with a meaningful walkathon around Thiruvallur. This event was not just a walk; it was a collective stride towards raising awareness about the importance of protecting our children from harm. Our students, staff, and community members came together, showing solidarity and commitment to creating a safer world for children. It was a powerful demonstration of our collective resolve to safeguard the innocence and rights of every child.
- ★ **Astraa Talks Inaugural Event (16.12.2023):** *"Inspiration sparks change."* On December 16, 2023, we launched our very first Astraa Talks, a series where we invite inspiring speakers to share their wisdom and stories with our students. This event is all about *'Sharing Knowledge, Shaping Futures,'* giving our students a chance to explore new ideas and perspectives. Astraa Talks is our way of showing students the power of knowledge and how it can open doors to their futures.

- ★ **Mom and Me Event (23.12.2023):** *"A mother's love for her child is like nothing else in the world."* This special event celebrated the unbreakable bond between mothers and their children, featuring an array of fun games and activities. It was a day to honour the nurturing role of mothers, fostering stronger connections and creating cherished memories.
- ★ **Maths Expo (06.01.2024):** *'Mathematics is the language of the universe.'* On January 6th, 2024, our Maths Expo showcased this language in action. Students explored and presented a range of topics, from intriguing projects to practical applications in the real world, bringing mathematical concepts to life.
- ★ **Astraa Pongal Celebration (12.01.2024):** *Pongal: A celebration of harvest, prosperity, and the joy of new beginnings.* On January 12th, 2024, the ASTRAA Global School community came together to celebrate Astraa Pongal, honouring the rich cultural heritage of Tamil Nadu. This vibrant festival saw our campus come alive with traditional decorations, bullock cart rides, and an array of cultural performances and games.
- ★ **75th Republic Day Celebration & Yoga Session (26.01.2024):** *'Freedom in our mind, strength in our unity, and peace in our souls.'* On January 26th, 2024, we celebrated the 75th Republic Day with pride and a special Yoga session aimed at improving memory and concentration. This event highlighted the importance of mental well-being and discipline, reflecting on our nation's values and our commitment to personal growth and mindfulness.
- ★ **Tiny Tots Educollab (02.02.2024):** *'Together we learn, together we grow.'* On February 2nd, 2024, we proudly hosted the **Tiny Tots EduCollab**, welcoming kindergarteners from Active Millennium Kidz. This special day was dedicated to fostering a bond between our youngest learners through engaging and interactive activities. Designed to ignite curiosity and enhance foundational skills, the collaboration included educational games and a shared learning experience about recent satellite launches.
- ★ **KG Rainbow Day (23.02.2024):** *'Every colour of the rainbow tells a story.'* On February 23, 2024, our Kindergarten celebrated Rainbow Day, turning ASTRAA Global School into a kaleidoscope of colours and joy. This special day was dedicated to exploring the beauty and significance of colours in our world.

## Safety and Awareness Program at ASTRAA

*'Safety first is safety always.'* On January 23rd, 2024, we conducted a **Safety Session for Kids**, led by our dedicated teachers. This important programme aimed to educate our students on essential safety measures, including first aid and understanding the significance of 'good touch, bad touch,' empowering them to protect themselves and others. Following up, on February 6th, 2024, we welcomed fire officers from Tiruvallur for a **Fire Safety workshop**. This hands-on session provided our students with critical knowledge and practices in fire prevention and safety, reinforcing our commitment to ensuring a secure learning environment for all.

## Student Achievements

As we reflect on the past year at ASTRAA Global School, we are thrilled to turn the spotlight on the remarkable achievements of our students.

**Field Trip to Royal Chitran, Sriperumbudur (16.02.2024)**

*'Travel is the greatest teacher.'* On February 16, 2024, we took students on a field trip to Royal Chitran in Sriperumbudur, a place mirroring the vibrant essence of Rajasthan. Through exploring this miniature Rajasthan, students gained firsthand experience of its rich culture and traditions, deepening their understanding and appreciation of India's diverse heritage.

**Innovative Learning Spaces**

Our state-of-the-art facilities, including spacious, air-conditioned classrooms, a richly stocked library, and cutting-edge laboratories, are the backbone of our academic excellence. Our Extracurricular Activities, ranging from Karate and Silambam to Western Dance, provide a platform for students to explore and excel beyond the academic curriculum.

**Mentorship and Counseling**

Guidance and support are the hallmarks of the ASTRAA experience. Through our Mentorship Movement and personalised counselling sessions, we ensure every student feels heard, valued, and empowered to navigate their personal and academic challenges.

**Future Plans and Initiatives**

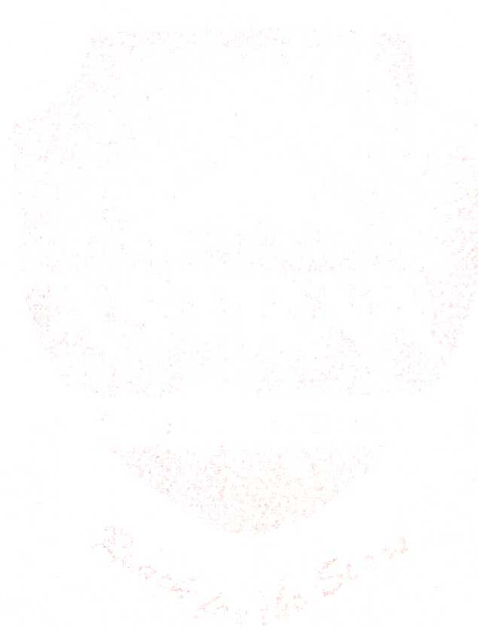

As ASTRAA Global School strides into the future, we remain committed to expanding our educational landscape, introducing new programmes, and enhancing our facilities to support our growing community of learners.

## Admissions Open

Join us on this exhilarating journey of learning, growth, and discovery. Admissions are now open for the next academic year. At ASTRAA Global School, your child's future is bright and boundless. Reach for the stars with us.
